

# MOBILE CAPTURE

Take Payment Everywhere

No matter what business you're in, your customers expect a higher level of sophistication and more immediacy than ever – even when offices are closed. Mavro helps you deliver an enhanced customer experience with the addition of mobile capture.

**Avoid stumbling when processing mobile payments. Empower your team, as well as your customers, clients and donors, to efficiently process payments anytime, anywhere. Immediate and secure capture eliminates lost checks, delayed deposits and all security concerns.**

## Ideal for:

- ✓ Utilities performing in-home service
- ✓ Individuals investing funds
- ✓ Nonprofits collecting donations at events
- ✓ Anyone who needs to collect payment

## Hardware Compatibility:

Android or iOS mobile phone or tablet

## Features & Benefits:

- ✓ Gives the ability to capture forms, documents and checks
- ✓ Convenient scanning from any mobile device, anywhere
- ✓ Improved customer efficiency and processing quality
- ✓ Centrally processed by MavBridge™ for faster payment
- ✓ End-to-end encryption for top-level security
- ✓ Eliminate courier and express mail costs

**GIVE YOUR CUSTOMERS THE PROFESSIONAL EXPERIENCE THEY EXPECT.**
